

Stocks, Bonds, Bills, and Inflation (S&BBI) Yearbook. Ibbotson and Grabowski. This contains real return rates for stocks and bonds since 1926; I updated to get data through 2017 from here:

http://pages.stern.nyu.edu/~adamodar/New_Home_Page/datafile/histretSP.html

In this post the return rates for Long Term US Government (higher grade) bonds; this choice is consistent with other publically available sites that show bond returns from 1926.
